# BIG TEN MEN'S SOCCER TOURNAMENT

Big Ten Fans:

Since its founding in 1896, the Big Ten Conference has been firm in its commitment to excellence in all facets of the college experience, from academics and athletics to involvement in the community and helping to prepare the leaders of tomorrow.

Competition in intercollegiate athletics has long-lasting benefits. Students receive a top-quality education and cultivate key lessons in integrity, sacrifice and perseverance, while also competing at the highest level of Division I athletics.

The Big Ten's commitment to broad-based programs remains unwavering, providing support to more than 9,800 students who learn and grow while competing on more than 350 teams in 42 different sports. The conference continues to foster excellence in the athletic arena, having produced at least seven national titles in seven of the past 10 academic years, with an equally high level of success in the classroom with more than 1,700 students earning Academic All-America honors.

Each day, Big Ten students receive the tools they need to enter the future with confidence. As participants on the playing field, they honor those who came before them and strive to achieve the highest level of citizenship and sportsmanship. We encourage you, our Big Ten fans, to follow their lead. Cheer for your school, revel in victory and be gracious in defeat.

Today's competition is an experience that each of our participating students will cherish and remember forever. Please join us in supporting these fine young people as they work towards their goals, not only as members of the Big Ten, but in all their future endeavors.

Sincerely,

**James E. Delany**  
Commissioner | Big Ten Conference

## Big Life. Big Stage. Big Ten.

Since its inception in 1896, the pursuit and attainment of academic excellence has been a priority for every Big Ten member institution. But maintaining the conference's standard of competing at the highest level in athletics also endures as an important component of the Big Ten experience. Striking that balance between academics and athletics is integral to the Big Ten's identity. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its students not only on the field and in the classroom, but around the world as well.

### PREMIER ACADEMIC INSTITUTIONS

The Big Ten Academic Alliance is an academic consortium of all 14 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

Every Big Ten Academic Alliance institution ranks among the top 65 universities in the nation according to the 2017 Academic Ranking of World Universities, including five in the top 25.

The Big Ten leads all conferences with more than 1,800 Academic All-Americans, including 37 honorees during the 2018-19 academic year.

Big Ten Academic Alliance schools annually conduct \$10 billion in funded research, \$5 billion more than any other conference.

### A HISTORY OF ATHLETIC SUCCESS

Big Ten schools have won at least five national championships in 24 of the last 25 years including an average of seven per year over the last 13 years.

Since the 2008-09 academic year, current Big Ten institutions have claimed 76 team national championships in 21 different sports.

### BROAD-BASED PROGRAMMING

The Big Ten will administer over \$200 million in direct financial support to more than 9,800 students competing in intercollegiate athletics for more than 11,000 participation opportunities on more than 350 teams in 42 different sports.

The Big Ten sponsors 28 official conference sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse in this decade.

The Big Ten leads the nation in total students competing in intercollegiate athletics and participation opportunities, and sponsors more official sports than all conferences except the Ivy League.

Almost 1,400 Big Ten competitors have participated in the Olympics, winning more than 600 medals, including nearly 300 gold. In the 2016 and 2018 Olympic Games, more than 200 representatives from Big Ten institutions including current or former students and coaches were members of Olympic teams. Big Ten Olympians collected more than 50 medals in the most recent games in Rio and PyeongChang.

### PASSIONATE FOLLOWING

The Big Ten leads all conferences with 5.7 million alumni and nearly 580,000 students.

Each year more than 11 million patrons attend Big Ten home contests, as the conference has led the nation in attendance for men's basketball, ice hockey, volleyball and wrestling.

### LEADERS IN INNOVATION

Took part in the nation's first bowl game, winning the 1902 Rose Bowl Game, and signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl with permanent conference affiliations.

Awarded the first Big Ten Medal of Honor in 1915, honoring outstanding seniors who demonstrated excellence in academics and athletics.

Formed the Big Ten Advisory Commission in 1972, enlisting former students that competed in conference athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

Became the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

Implemented the first collegiate football system of instant replay in 2004, which the NCAA approved for use among all conferences in 2006.

Launched the Big Ten Network (BTN) in 2007, the first national conference-owned television network.

Began partnering with the Ivy League to study the effects of head injuries in sports in 2012.

Accepted Johns Hopkins University as the conference's first sport affiliate members in men's and women's lacrosse in 2013 and 2015, respectively, and added Notre Dame as a sport affiliate member in men's ice hockey in 2017.

### EXTENSIVE TELEVISION EXPOSURE

Through the Big Ten's current media agreements with BTN, ABC/ESPN, CBS and FOX, more than 2,000 Big Ten events are produced and distributed nationally and globally on an annual basis.

BTN is in almost 60 million homes across the United States and Canada, and is also available internationally via the Fox Sports App, delivering live and on-demand programming to computers, smartphones and tablets. BTN Plus streams hundreds of additional events each season.

### COMMUNITY INVOLVEMENT

For more than 30 years, through the Big Ten's SCORE (Success Comes Out of Reading Everyday) program, the conference has partnered with Chicago elementary schools to improve reading performance.

Surrounding the Big Ten Football Championship Game and Basketball Tournaments, the conference has held numerous community initiatives, partnered with the College Football Playoff Foundation and other events such as the Big Ten Career Expo, SaturDAY of Service and Youth Football Clinics. In addition, the Big Ten has hosted a downtown 5K, collaborated with a local breast cancer awareness group and provided unique event experiences for military veterans.

# WELCOME TO THE UNIVERSITY OF MARYLAND

Dear Student-Athletes, Families and Friends,

On behalf of the University of Maryland, welcome to College Park, Md., and Ludwig Field for the 2019 Big Ten Men's Soccer Tournament. Ludwig Field provides one of the best atmospheres in college soccer, and we are thrilled to continue its championship tradition by hosting the Big Ten Tournament.

During your visit to the University of Maryland, we encourage you to take in the sights and sounds of our beautiful campus, and visit our nation's capital, which is less than 10 miles away.

We wish the best of fortune and success to all competing institutions and its student-athletes this weekend. It is our hope that your participation will provide unforgettable memories that will last well beyond your intercollegiate athletic careers. Enjoy your time at Maryland and the 2019 Big Ten Men's Soccer Tournament!

Director of Athletics  
University of Maryland

# WELCOME TO THE UNIVERSITY OF MARYLAND

**T**he University of Maryland, College Park (UMD) is one of the world's top academic and research institutions, a community committed to fearless ideas that improve the lives of millions around the globe. We are the flagship of our state's higher education system, and through education, research and service, we tackle some of the world's most critical challenges and enrich the economic, social and cultural life of Maryland and the nation.

Just a subway ride from Washington, D.C. — nine miles from all that an international capital has to offer — the university makes the most of its location through internships and research partnerships that attract outstanding students and faculty.

Our 37,000 students include the highest achievers in Maryland and the nation. Our renowned faculty has accumulated Nobel prizes, Pulitzers and other distinguished awards. Dozens have been elected to the national academies.

Academically, UMD programs are among the best in the country. According to national publications, UMD is one of the top U.S. schools where employers recruit and a haven for entrepreneurs. We consistently rank among the nation's 10 best values in higher education.

The only research university inside the Capital Beltway, we host the world's most concentrated cluster of climate and earth sciences in our back yard.

Innovation and entrepreneurship are major priorities. Each year, we pump about \$3.5 billion into Maryland's economy and support about 25,000 jobs.

This decade, a highly anticipated four-star hotel and

conference center will begin to rise at the campus' northern gateway. All along the Route 1 corridor, new retail and housing projects are coming to life. On campus, about \$700 million worth of construction is under way or recently completed, including a new bioengineering and computer engineering building.

We are proud of the of the academic collaboration, artistic scholarship and athletic competition as members of the Big Ten Conference.

# WELCOME TO LUDWIG FIELD

**S**ince its opening in 1995, state-of-the-art Ludwig Field has been the home of the Terrapin men's and women's soccer teams as well as playing host to numerous other local soccer events over the past 24 years.

The most recent update to the facility was the installation of state of the art LED lights to Ludwig prior to the 2019 season that has improved visibility and provided the chance to the Terps to enhance its game day atmosphere with light shows unlike any college soccer venue in the nation.

Maryland plays in front of one of the finest atmospheres in college soccer at Ludwig. The Terps routinely rank among

the top-5 in the nation in attendance and led the country with a school record 52,189 patrons entering Ludwig in 2016. Maryland ranked No. 2 in the country in attendance last season, with an average of 2,922 fans.

Heading into the 2019 campaign, over 600,000 fans have filled the stands to take in exciting Terrapin soccer action since the facility opened in 1995. Maryland's notorious student fan group, The Crew, has established itself as the best college soccer fan section in the country. It will serve as a fantastic venue for the 2019 Big Ten Men's Soccer Championship.
